The *LOVE IN MOTION* Signing Choir from San Diego has appeared in 30 different states and in 10 different countries.

LOVE IN MOTION's unique style of song signing has provided a way for Hearing and Deaf audiences and congregations to see and enjoy American Sign Language. People are inspired and experience new depths in the messages of the songs because of the choir's artistic presentations with ASL, drama, and movement.

This "moving ministry" started in 1990 as part of the music ministry of the Rancho Bernardo Community Presbyterian Church and in 2007 they became an established 501c3 non-profit organization.

The ecumenical choir is composed of grade school to grand-parent-aged signers from 16 churches in the San Diego area. BJ Jensen has directed *LOVE IN MOTION* since its inception in 1990. The choir does guest appearances with one song to full-length concerts and has six SIGN-A-LONG DVDs available.

*"May the favor of the Lord our God rest upon us;
establish the work of our hands for us –
yes, establish the work of our hands." - Psalms 90:17*
